Hey everyone, today my cousin and I start a summer camp. The camp facilities are amazing. They have a swimming pool, a basketball court and a foosball table. However, I am not sure how much fun we will have. There is an older chubby man with curly hair and a fringe who tells us all the things we cannot do. He says, “no playing games on your phone, no listening to music or watching films”. He seems really bossy. Still I am hopeful. The camp is well organized and our camp counselors are super energetic. I can tell they have lots of exciting activities planned for us. (106 words)
