NOTICE FROM STUDENT HOSTELS COMMITTEE

Luggage Storage Arrangement for Check out

The residence period of the student hostels in Chung Chi College ends on May 17, 2023. All residents should finish the following check-out procedures and leave the hostel before 5:00 p.m. on Wednesday, May 17, 2023. Important points are listed below for the temporary luggage storage arrangements for check out:

1. According to Hostel Regulations, **when moving out, residents are required to clean their rooms and clear all belongings from the hostel** with original room keys being returned. Otherwise, deposits will not be refunded, and future applications for hostel residence may be adversely affected.
2. **Residents who have been assigned a hostel place in the coming school term** may store their clothes and books in the hostel's temporary storage room. For further information, please refer to the "Check-out Procedures (May)" notice in the Committee website.
3. For residents who are granted summer hostel places, please store the luggage at a separate storeroom according to the instruction of your Warden and hostel attendants (luggage claiming is available from summer hostel check-in day, i.e. 24 May 2023). Other hostels which are not arranged for student summer hostel residence will extend its pick-up luggage service until 7:00pm on 24 May 2023. Summer residents shall be aware of the service time when plan to pick up the luggage from those hostels.
4. "Rules and regulations for using the temporary storage at CC student hostel" has been posted on the hostel's temporary storage room. Residents who need to store their luggage in the temporary storage room should follow the regulations properly.
